SEPTEMBER IS HERE!

Our season is underway and in full swing! Thank you for your support and trusting us with your precious children. We are so grateful to watch them grow each year and blessed to be creating memories with brand new faces. The OMDC Family keeps growing each season but we can't forget our roots. Dancers are progressing in classes every week. Remember dancers will all make progress in their own time. We set milestone goals for each dancer and want to see them progress as an individual. Your child has something unique to offer the world!

Don't forget to check out our refer a friend program for awesome discounts and promotions.
