PENNY WARS (10/9-10/30)

HELP US END CHILDHOOD CANCER, ONE PENNY AT A TIME!

How it works:

Find your class bucket and place pennies in your bucket for positive points. Place silver and bills into other classes' buckets for negative points. The class with the most positive points wins a class party.

All funds raised directly benefit a dancer currently pursuing cancer treatments through the organization Dancers Against Cancer!

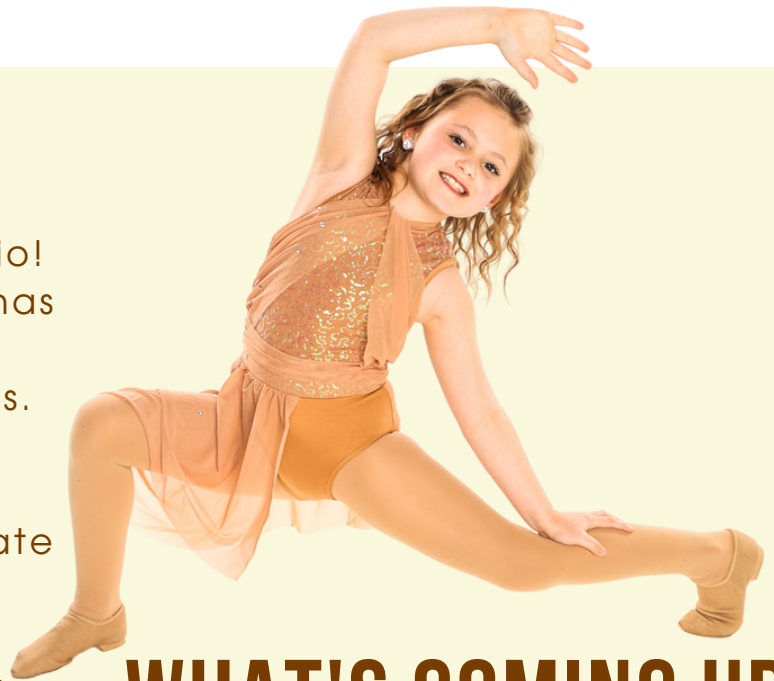

RECITAL FEE

It's that time of year! Half of your recital fee balance is due on **October 19th**. You can make payments online or via the parent portal.

Recital costumes are being updated on your resource tab on your portal daily!

CLASS REMINDERS

- Please make sure your dancer is bringing water only into the studio!
- Double check that your dancer has their name INSIDE their shoes to avoid any lost or misplaced shoes. We have a lost and found box located in the dancer's lobby.
- Any dancer arriving 10 minutes late will not be able to attend that class that day. Do not enter a room if you are late! Stop by the desk for assistance.
