A NOTE FROM

Ms. Ashli & Ms. Kaleigh

We are so excited to welcome everyone new and returning to OMDC! Our 2021-2022 season is set to be the absolute best yet. Thank you for being a part of our 8th dance season.

Currently our lobby will be open under the guidance of state and local regulations. Masks are required in all common lobby areas for ages 5&up. We will continue to practice our open safely plan that we have had in place since May 2020. If your dancer is sick please keep them home, we have worked several days into our yearly schedule for dancers that have to miss due to quarantine.

As always, if you have any questions please let us know, we are more than happy to assist you.

All the best!

Masks will be required in both our parent's lobby and dancer's lobby for all guests and dancers 5 years of age & older.

Neck-gaiters, mesh masks, & masks with valves are not acceptable at this time.

FIRST WEEK REMINDERS

- Please label all dance shoes on the inside of the shoe, this will prevent any mix-ups in class.
- Only water is allowed in the dance rooms, please refrain from bringing juice, teas, etc.
- Parent's Lobby: Our parents lobby will be open this week! When you enter the main the door you will find our office manager Jennifer, viewing monitor, important updates, and much more.
- Dancer's Lobby: Our dancer's lobby is an area for our dancers to wait before class begins. We recommend this area for our dancers level 3 and up but all dancers are welcome.
- Dance rooms: Our dance rooms are names Miami, New York, and Los Angeles after major dance cities in the USA! Please check your dancer's schedule for which room your dancer should be in for class.
- Parking: We have our main parking lot and gravel parking in the back of the building. Please do not park at the advocate and block their driveway!

Pre-School Program

Hello and welcome to OMDC's pre-school program. My name is Ms. Breezy, as my little ones affectionately call me, and I will be your guide for the year. I oversee Mini-Movers, Level 1, Level 2, Bee Bop, and Tiny Tots. If you have any questions throughout the season please email the studio and we can set up a meeting.

Our first week in the studio, our little ones may be hesitant to leave their favorite people to go into the dance room while others simply walk-in ready to take on the day. At OMDC, we focus on the individual journey and do not compare one dancer to another. Your little one may need few weeks to adjust, we are highly trained to handle these situations.

I can't wait to see all of the OMDC babies this week!
