

ROYAL AD COURT LEVELS & RECOGNITION

-Ad court members are able to choose recital tickets before they go on sale to studio members. That means, no waiting in line for tickets!

-Families will be able to purchase/pick up recital tickets in the order of amount of ads turned in.

For example: If Julie turns in \$2,650 in ads and is our cover dancer they will choose tickets first, followed by Madison who sells \$1,400, followed by Carter who sells \$1,120 and so forth and so on.

All Royal Ad Court members will receive a specialized photoshoot for ad court members only.
