WHAT TO EXPECT YOUR FIRST DAY!

Arrive about 10 - 15 minutes prior to your first class. Our brand new lobby is super easy to navigate. Take advantage of snapping a few first day of dance pictures on our backdrop! A staff member will call for your dancers class when it begins. Do not enter a room while class is being held. If you happen to arrive late stop at our front desk for assistance!

During class you can grab a seat in our parents' lobby or go run an errand and enjoy your time! Parents do not have to stay in the building during classes. Dancers should be in proper dress code and can bring a water if needed.

Pick-up and dismissal is a super easy process. Your dancer will exit their room with their belongings! Our younger dancers will be escorted by their instructor to the parents lobby area. Please be sure to be inside the building at least 5 minutes before the end of class. If your dancer is older and will be walking themselves from the building please make sure this is communicated to them. We do not prefer dancers to walk by themselves as it is a busy parking lot.

Parking is available in front, sides, and gravel area! The front is not a drop and wait area.
